

Tampa Audubon invites you to
A Fun and Friendly Afternoon of

RISE UP—GAMES OF FLOODS!

SUNDAY, MARCH 18

3:30 TO 5:30 PM

USF Engineering

see map on reverse for parking directions

Help USF faculty develop **games to model community decision-making tools** in the face of future sea-level rise or the impacts of changing climates.

They have a grant from National Science Foundation's Smart & Connected Communities initiative, in which they want to engage Tampa Audubon as community stakeholders.

It will be **board games**, not computer games. Come have a fun afternoon helping science, and figuring out how communities can make decisions.

Bring snacks, beverages if you want.

PLEASE EMAIL MARY (keithma1@juno.com) IF YOU PLAN TO COME, SO THEY KNOW HOW MANY TO EXPECT. NO LIMIT! LET'S FILL UP THE ROOM!
